*your premier baggage carrier from home to camp and back*

**CAMP SEASON--2019**

Dear Camp Modin Families:

Camp Trucking has been contracted by CAMP MODIN to provide luggage delivery service to and from camp. We will arrange to pick up your luggage at your home for delivery to Modin. We are proud to continue nationwide service to all MODIN campers in the continental United States for all camp sessions.

For July and Full Season, we will pick up your bags from *approximately* the 21<sup>st</sup> to the 23<sup>rd</sup> of June. For August campers, we will pick up your luggage from *approximately* the 19<sup>th</sup> to the 21<sup>st</sup> of July. Luggage is delivered directly to your child's bunk prior to his or her arrival. At the end of your child's stay, the luggage is collected on the day of departure and returned to your home in approximately three to four days. Please note that luggage from Florida, Chicago, Cleveland, and other areas outside of the northeast is picked up slightly earlier and delivered home slightly later due to distance constraints.

Unlike other shipping carriers, **there are no size or weight restrictions**, nor do you have to be home to sign for any baggage being picked up or dropped off. Prices for pick-up and delivery are itemized below. Each bag is insured for fire or theft of an entire shipping package (excluding sports equipment) for up to \$200.00, although coverage up to \$1,000.00 is available for an extra charge of \$30.00 per child. Please see the back of this form and/or our website for prices and information regarding sports equipment and other items that you wish to ship. **Per camp's instructions, campers are to ship no more than two pieces of luggage/duffels. Campers who are pre-registered for the Modin Ice Hockey Program may ship their additional ice hockey gear bag and stick(s) free of charge.**

## SPORTS EQUIPMENT and other items

Camp Trucking, as your camp baggage carrier, can also transport your child's sports equipment. The prices are listed below. Please make sure the items are packed in appropriate containers and not strapped or tied on to your luggage. This will ensure that they make it safely to and from camp.

We **strongly** urge that lacrosse sticks be packed in boxes. If your sticks are boxed you can use **one** price to ship multiple sticks in the same package. This will also ensure a more timely delivery and there is less chance of damage. In addition, our luggage tags stay attached to boxes better than they do to sticks alone. Please label each stick and box in large print with child's name and camp name.

Please note which piece(s) you are shipping on the application and include the appropriate additional payment. By having Camp Trucking transport your sports equipment, you agree to the following:

**Camp Trucking's limits of liability on sports equipment is for a maximum value of \$50.00.** The insurance/valuation coverage on the form is for *clothing baggage only*. If you need additional coverage on your sports equipment, please contact your insurance agent.

Please **use caution** when packing tennis racquets or other fragile items in your luggage. The bags are stacked inside of a truck and the weight of the bags could cause fragile items to break. **We will not be responsible for breakage or damage to items packed inside your luggage.** *This includes electronic items like radios, CD players, and video games. These items should be taken on the bus or plane.*
